### ***Sub: Regarding problems on OASIS scholarship***

It was reported by the competent authority that some of the students have not received OASIS Scholarship because of the following reasons:

- i) Name mismatch between the application and AADHAAR card or caste certificate.
- ii) KYC is not updated in the bank account.
- iii) Bank account is not linked as direct beneficiary.

All the concerned students who have not yet received the OASIS scholarship are directed to take necessary actions to solve the above noted problems at the earliest. For any queries they can contact with the scholarship section in the Registrar's office.
